NEWMAN PARISH – PASTORAL COUNCIL MEETING SUMMARY

October 13, 2026

The pastoral council meeting revealed that we have work to do in organizing the council to function as the diocese intends. Through December, the pastoral council will be meeting monthly in order to facilitate the timely progress of our organizational efforts. We will be working hard to form our committees from which will come the new members of the council. Also, we have heard the concerns about appropriate representation and are acting on those concerns.
